## ABOUT US:

*Peoples Empowerment Trust (PET) is aiming to be one of the largest Technological and Scientific research and evaluation organization. The aim of this advanced technological forum for the researchers & scholars is to exhibit their knowledge in the area of science and technology. PET is founded in 2012 as a not-for-profit organization and registered under a trust. We are standing tall in the field of research & technology, our objective is to provide a platform which will encourage and support scholars, researchers & professionals to carry and accomplish their research. PET is an open association of excellent Scientists, Academicians, Professionals, Engineers and Scholars.*

## CHAIRMAN'S DESK

**MR. RASANANDA BARIK**

*Honorable Chairman,  
Peoples Empowerment Trust*

*In continuation of our journey from 2012 it being a great journey and great work done by our employees. The research in science is the greatest way to serve the humanity so as our motto behind our organization.*

*I believe our work to develop the science and promote it in India and abroad will give us highest reorganization .Its my pleasure to present the annual report for*

*2013-14.*

*I thank all our employees, my family, our coordinators,  
Govt. of India and God.*

*Thank you.*

# PUNE

**Pune Chapter seminars:** After the successful year of 2012 PET has moved ahead and organized various scientific seminar to highlight the scientific achievements and encourage the young students to research more and more in the scientific field. After Seminars PET has Published all the topics and research ideas in a proceeding booking having ISBN and distribute to all participants inside the conference and other libraries of the college.

23rd February 2014, Pune, Seminar

ATSC-2014, Pune, 5th and 6th Feb 2014

# PUNE

- PET Seminars and Conferences organized in various days in the years on 5<sup>th</sup> Feb 2013 & 6<sup>th</sup> Feb 2013. Two seminars organized during the month of October 2013 and Feb 2014. Where more than 40 Participants from various colleges participated the events.
- In 2014 PET organized an educational seminar at Pune at BV University campus in association with Dept. of Electronics and Communication engineering where more than 100 students participated the seminar.
- In 2014 the PET Seminars are on the date of 19<sup>th</sup> Jan 2014, 23<sup>rd</sup> Feb 2014 and 30<sup>th</sup> March 2014

# Chennai

*Jan 2014 Seminar, Chennai*

*24<sup>th</sup> Nov 2013 Seminar at Hyderabad ,India*

### Some Facts about the International Journals

Various International Journals have been published from 2013 monthly, bimonthly, half yearly and quarterly. Many journals have been listed in some of the world's top university libraries like Harvard, MIT, Oxford etc. An average of about 15 to 30 papers from the similar domain high quality papers have been selected to each issues after peer review by some of the world's popular professors scientists and industrialists. The printed version of the copy is also available which have been printed at Bhubaneswar and distributed .All Journals are open access and cited by google.

### JOUERNAL INDEXING AT

Thank you Messages:

*We thank every students and professors who have been associated with us during our journey to make the science popular and innovate more and more technologies to make our life simpler. We also emphasize to develop sustainable technologies to make our earth beautiful place to live. During our Journey from 2012 we have been organized various training seminars and small conferences at various cities of India at world for the awareness of making a successful career in the field of Research and Development.*
