Peoples Empowerment Trust (PET) is aiming to be one of the largest Technological and Scientific research and evaluation organization. The aim of this advanced technological forum for the researchers & scholars is to exhibit their knowledge in the area of science and technology. PET is founded in 2012 as a not-for-profit organization and registered under a trust. We are standing tall in the field of research & technology, our objective is to provide a platform which will encourage and support scholars, researchers & professionals to carry and accomplish their research. PET is an open association of excellent Scientists, Academicians, Professionals, Engineers and Scholars.

CHAIRMAN'S DESK

MR. RASANANDA BARIK

*Honorable Chairman,
Peoples Empowerment Trust*

It is my great pleasure to see the annual report of the PET. I feel honored to be a part of such a great Organization which is an unique of its kind. From 2012 to till now we have seen many ups and downs but we remain steady our values and ethics during our journey. Today we have around 25 highly qualified employees working at our Head office and around 10 Coordinators associated from different part of the world. Today we separate dedicated teams to work more efficiently and effectively during lest period of time. We are also emphasizing more on reaming our key employees. Our vision is making this Organization one of the best research Organization and publication house.

*I thank all our employees, my family, our coordinators,
Govt. of India and God.*
