ABOUT US:

Peoples Empowerment Trust (PET) is aiming to be one of the largest Technological and Scientific research and evaluation organization. The aim of this advanced technological forum for the researchers & scholars is to exhibit their knowledge in the area of science and technology. PET is founded in 2012 as a not-for-profit organization and registered as a trust. We at PET standing tall in the field of research & technology, our objective is to provide a platform which will encourage and support scholars, researchers & professionals to carry and accomplish their research. PET is an open association of excellent Scientists, Academicians, Professionals, Engineers and Scholars.

CHAIRMAN'S DESK

MR. RASANANDA BARIK

CHAIRMAN,

Peoples Empowerment Trust
(PET)

Mail: Rn.Barik12@gmail.com

*It is my great pleasure to see the annual report of the PET for the year of **2018-19**. I feel honored to be a part of such a great Organization which is a unique of its kind. From 2012 to till now we have seen many ups and downs but we remain steady our values and ethics during our journey. Today we have around 40 highly qualified employees working at our Head office and around 15 Coordinators associated from different part of the world. Today we separate dedicated teams to work more efficiently and effectively during last period of time. We are also emphasizing more on reaming our key employees. Our vision is making this Organization one of the best research Organization and publication house.*

I thank all our employees, coordinators. Govt. of India my family, and God.

विद्या ददाति विनयं विनयाद् याति पात्रताम्।
पात्रत्वाद्धनमाप्नोति धनाद्धर्मं ततः सुखम्॥

Thank you.

PUNE Chapter

Pune Chapter Conferences/seminars:

Pune, Maharashtra has been a leading city in the education and learning. Being one of the leading education and research hub in India. PET and IRAJ have been always emphasizing the research activity in the city of Pune.

During the 2018-19 more than **6 Conferences** and Seminars have been organized. More than **300 Students**, Researchers, Scholars from different Engineering Colleges and universities have attended our conferences.

As PET and have been in the promoting the scientific education and research, so we organizes various conferences, seminars and activities on the topic of Electronics, Artificial Intelligence, Machine learning, IOT, Big data, Mechanical Engineering, Civil and production engineering, Medical Science, Environmental Science, Management Etc.

CHENNAI Chapter

Chennai Chapter Seminars:

In continuation of our Journey PET has successfully organized various scientific seminars at the south capital of India popularly known as Chennai and it's nearby areas.

As we all know the Chennai is one of the largest education hub in south India, so the PET has taken the initiative to educate and provide the various ongoing research activities in the south India. PET have organized more than 10 Educational Seminars and expert lecture talk at Chennai Chapter which consists of Chennai, Trivendam, Puduchery, Cochin etc.

SEMINARS ORGANIZED AT CHENNAI DURING 2018-19

New Delhi Chapter

New Delhi Chapter seminars:

The India's Capital New Delhi has been perfect place for the science and research innovation. Many educational institution and research bodies has been working here. To support them PET has been organizing various seminars and events every year. During 2018-19 also PET has organized more than **15 Scientific** seminars and conferences.

SEMINARS ORGANIZED AT NEW DELHI DURING 2018-19

Bangalore Chapter

SEMINARS ORGANIZED AT Bangalore DURING 2018-19

Bangalore Chapter seminars:

As a Continuation of our journey to the one of the India's best education hub and beautiful city PET has successfully various seminars during the 2018-2019. **Over 500** research scholars, master students and professors across the Karnataka attended our scientific seminars and workshops.

Eminent professors from different colleges also attended during the event and delivered the guest lecture on specified topics and emerging research areas. The number of participants has been increasing every year.

FANI Cyclone Relief Camp

A Relief program was organized for affected people at Puri during the Fani Cyclone on 3rd May 2019. More than 500 Packets of relief was distributed at the Balisahi Village at Puri which was the most affected place.

Programme SMILE

ITResearch and PET organized a Program "Smile" at Pratibha Ashram, Dumduma, Bhubaneswar on 6th November 2019 spent some memorable time with the children of Pratibha Ashram. Team ITResearch conducted various recreational activities such as Quiz, Song competition, Dance activities & many more. The children's were distributed with various study materials such as Note books, Pen, Pencil, Sharpener & Eraser. There were around 35-40 no. of children residing in the Ashram. We were surprised to see the children's of the Ashram have won several no. of Medals, Awards & Trophies in different competitions organized by various organizations. The children's were well behaved, very smart, talented, Sporty & were very energetic.

PET Supports

Mr. Rashmi Ranjan Sahoo

A award-winning bodybuilder and four-time Mr. Odisha Rashmi Ranjan Sahoo is sure to many most sports lovers of the state. Mr. Sahoo clinched the title of "Mr. Odisha" for four consecutive years from 2013. He also bagged gold medals in many national competitions, including the Federation Cup, Ludhiana, in 2016, and Federation Cup, Patna, in 2018.

But, destiny has forced him to take to the street to sell 'vada' and 'pakudi' (the Odia variant of *pakoda*) on a pushcart at CRP Square in Bhubaneswar.

Sahoo was one of the star attractions at the recently concluded 15th State Senior Bodybuilding Competition here. He bagged a gold medal in the 80-kg category.

PET and ITRESEARCH Supports financially to Mr Rashmi Ranjan Sahoo for his future sport activity.
